GIVE RESPONSIBLY

You may find that street children and beggars may approach you in certain areas. Occasionally, aggressive begging may occur in the CBD where you may be followed persistently even after saying "no". When this happens, the Cape Town Central City Improvement District (CCID), which provides security in the city area, can assist. Call 082 415 7127 to report an incident. If you wish to help, consider giving food or donating to a registered charity.

TRAVEL WISE

CAPE TOWN

WELCOME TO CAPE TOWN!

Your safety is very important to us, that's why we've created this handy leaflet to make your stay as enjoyable and stress-free as possible.

We've included information about safety, health, Covid-19 protocols, responsible travelling, and other valuable tips to make your stay in Cape Town memorable.

CAPE TOWN CARES

The Cape Town Cares team helps visitors who may be in distress during their stay in Cape Town. Should an incident occur, we can help you with the following:

- Replacement of lost documents.
- Facilitating victim support counselling.
- Emergency accommodation and transfers.
- Laying a charge with the South African Police Service (SAPS).
- Changing itineraries.

Contact us on
021 487 6552.

DOWNLOAD THE SAFETY APP

The free Namola safety app uses GPS to pinpoint your location and allows you to contact emergency services with a simple touch of a button.

Scan the QR code to download the app and test it to see how it works.

PEACE OF MIND IN YOUR POCKET!

SAFETY IN YOUR CAR

- Have your keys ready when going to your car.
- Always lock your doors. Park in well-lit areas at night.
- Keep enough distance between you and the car in front, in case you need to change lanes or drive away in a hurry.
- Don't give lifts to strangers.
- Look around before entering your driveway.
- Never open your window when approached by a stranger.
- If you think you're being followed, drive to the nearest police station.
- Keep your valuables out of sight.
- After you've parked your car, make sure it is properly locked so that you don't become a victim to thieves who use "remote jamming" devices.

SAFETY WHEN OUT AND ABOUT

Don't walk in deserted or dark areas. Stay in a group and on lit paths.

Keep your possessions on you and in sight.

Don't leave your valuables on restaurant tables.

Don't carry large sums of money and avoid counting it in the open.

The use of headphones may distract you from what's happening around you.

Use a map to get around.

Tell someone where you are going and when you expect to return.

You do not need a permit to walk in any of our streets.

Use accredited taxis and cabs.

Don't leave drinks unattended.

SAFETY AT THE ATMS

Only use secure ATMs in public areas, like a shopping centre.

Do not allow anyone to take you to, or help you at an ATM for any reason.

SAFETY WHEN BOOKING ONLINE

Check with Cape Town Tourism if you are unsure if an online listing or website is legitimate.

Use our accommodation member listing to contact an accommodation partner directly.

As with any large city, there are instances of accommodation fraud where visitors are scammed into paying for accommodation online that is not available for rental.

COVID-19 INFORMATION

There are two testing facilities at Cape Town International Airport.

Find a list of accommodation for self-isolation or Covid-19 travel disruptions here:

<https://hsolutions.app/hcomm/public/covid19-booking>

Always wear your mask in public. Failure to do so is a criminal offence.

Sanitise/wash your hands with soap regularly.

Social distance 1.5m from others.

Avoid crowded and closed spaces.

Cough or sneeze into your crooked elbow or tissue and dispose of immediately.

Clean/sanitise your bank cards after payments and avoid physical exchange of cash.
